Premier Data's processing solutions make for a *smooth ride*, but while you're at the UAFS Convention you might want to try something a little more wild. *Enjoy the Alpine Slide on us.*

We look forward to seeing you at the UAFS 2006 Annual Convention.

## We Understand You

Along with traditional banking software solutions, Premier Data provides the following services especially effective for Industrial Banks:

- Local Service and Support
- Lockbox Processing
- Internet Banking Services
- ACH/Wire Services
- Redundant Communication Links - Tier 4 Data Center
- Document Scanning
- Customized Services
- General Ledger Interface
